

CHRISTIAN
Home & Bible School

Believing each child is a gift from God

October 5, 2011

Vero Beach Church of Christ
3306 20th Street
Vero Beach, FL 32960

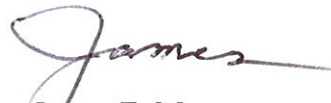

Dear Brethren,

We are most grateful for the General Mills Box Tops that you have sent to the Christian Home and Bible School. Our pre-school, Harden Early Childhood Center collects the Box Tops for Education. In that program General Mills sends a check for the Box Tops collected which allows our pre-school teachers some "extras" for their classrooms.

Also thank you for the UPC's from Campbell's products that you have sent to the Christian Home and Bible School. Recently with the UPC's given to us, we were able to order dictionaries for our elementary classrooms. Also the elementary recess program ordered a megaphone and additional playground equipment. Our pre-school saved up enough labels to order a 12" Silver Rider Trike and six 8.5" playground balls. We appreciate it if you will continue to save these UPC's and send them to us at your convenience. Please give our thanks to all who helped in this project.

Thank you for your support in these programs.

Sincerely,

James E. Moore
President
